## Walai Rukhavej Botanical Research Institute-Mahasarakham University (WRBRI-MSU) Inbound Internship

### Overview

Mahasarakham University offers opportunities for international graduate students to get an overseas experience conducting research as student interns at the university.

### Purposes of Exchange

- To promote student exchange as well as establish a good relationship between MSU and foreign Universities
- To offer MSU researchers an opportunity to exchange their own knowledge and experience on research with foreign researchers visiting MSU as student interns
- To strengthen the relationships between MSU and partner universities

### Benefits

The value of the scholarship will total 30,000 Thai Baht including:

- Living cost: 10,000 Baht per month (in case that MSU is not able to provide an on-campus residence)
- Intern students are available pay for other expenses

### Conditions of the Scholarship Recipients

- Submit an internship report and a training evaluation form filled up by the Thai advisor together with academic papers conducted during your internship period such as the original manuscript of an academic article (if any) within 7 days before going back to your home country.
- Acknowledge Walai Rukhavej Botanical Research Institute, Mahasarakham University, the scholarship provider, in acknowledgement of your academic article which reports results of your academic work carried out during the scholarship award period.

### Application/Registration Date

From now until the end of March, 2018

### Program Duration

For 3 months

# Walai Rukhavej Botanical Research Institute Mahasarakham University
